SUPPLEMENTAL RESPONSE

Sir:

Applicants herein supplement their response to the Office Action dated August 29, 2005 in the above identified patent application.

In the Office Action the Examiner acknowledged applicant's claim of priority on Australian application no. PR5765. However, the Examiner indicated that a certified copy of the priority application was necessary to complete the application before issuance of a patent. Although applicants had traversed, applicants submit herewith a certified copy of Australian application no. PR5765 as requested by the Examiner.

I hereby certify that this paper or fee is being deposited
with the United States Postal Service as first class mail on
October 12, 2005 in an envelope addressed to:

Respectfully submitted,
